

Payment Request Form DRAFT

Submission ID: 11137

Purchase Requests

Use this form to request the use of your organization's **Group Funds, SGA allocations/co-sponsorships, departmental funds, or other approved university funds.**

Before submitting:

- **Plan ahead.** Most simple requests require at least **3 business days** to process. Contracts, vendor payments, travel, and other complex requests require additional time.
- **Do not make a purchase before receiving approval** unless you are requesting an eligible reimbursement for a purchase already made.
- **Attach all required documentation**, such as an invoice, quote, item list/cart, receipt, event marketing, or other supporting materials.
- If your purchase involves a **speaker, performer, caterer, venue, transportation provider, or another service/vendor requiring an agreement**, complete the **Contract Request Form first**. Students and advisors may not sign contracts on behalf of GW.
- **Travel expenses** may require advance arrangements through Org Help and have additional submission deadlines.
- For reimbursements, purchases must generally be **\$25–\$500**, submitted within **60 days**, and supported by an itemized receipt. The person being reimbursed **cannot submit their own reimbursement request**.

After submission, monitor your request in **Activity Menu → My Surveys/Forms** and respond promptly to any requested modifications or next steps.

Submitting a request does not constitute approval to spend funds.

Questions? Contact **Org Help** at orghelp@gwu.edu before making a purchase if you are unsure which payment method to use.

What type of purchase request are you making? *
